

# *Spectrum Corporate and Flying Club*

*Hello and Welcome!!!*

*My name is Jim Campbell and I am proud to welcome you to our organization.*

*Our club was originally formed to bring together people of scuba diving interests for various trips to popular diving sites. It was created to make these excursions affordable with flexibility not available on regular airlines or other travel groups.*

*We have had tremendous success and through our member discussions, another suggested use arose. Many of our members had the need for our flexibility not only in diving trips, but also for their business trips as well. It was taken to a vote and we now offer this service to our members as well.*

*This new additional service has enhanced our club amenities and we are once again very happy to be able to accommodate our current and new members with this service.*

*Membership dues: \$50.00 per annum. Please fill our membership request form below.*
